

ABC TECHNICAL BULLETIN

Rules & Inspection Updates

The ABC Committee is issuing the following updates to the ABC Rulebook. Please review each revision and its effective date carefully.

ADMINISTRATIVE UPDATE

Committee / Series Representatives – Page 6

- Replaced Corey Schultz with Chris Wiess - Five Star Race Car Bodies
- Add Alex Nagy – APC Series
- Add Rudy Hernandez – ASA Series

EFFECTIVE AUGUST 17, 2026

Spoiler – Pages 18 & 33

- Spoiler gap can be taped/closed off with insert after technical inspection.

Door Vent Windows – Pages 19 & 34

- Maximum deflection of 1" Outward. Inward deflection is not allowed.
- This requirement has also been added to both Inspection Checklists.

EFFECTIVE OCTOBER 5, 2026

Cowl Panel – Page 13

- The cowl air insert must be supplied by an ABC Approved Manufacturer.
- Five Star Race Car Bodies: Part No. 661-5100A-X
- AR Bodies: Part No. ABC 10282X

EFFECTIVE JANUARY 1, 2027

Fenders – Page 27

- The rear of the fender wheel opening may be trimmed for tire clearance, ½" of the roll needs to be maintained inward into the wheel opening.

The current ABC Rulebook has been updated to reflect these changes. Each revision is noted in the rulebook with its applicable effective date.
