

RULE BULLETIN
ASA STARS NATIONAL TOUR & AFFILIATED SERIES
- 2026 -

August 5, 2026: This ASA Rule Bulletin addresses rule adjustments in the General Rules & Procedures Rulebook. This bulletin is applicable for all ASA Sanctioned Touring Series - the ASA STARS National Tour, ASA/CRA Super Series, ASA Southern Super Series, and ASA Midwest Tour. The implementation of this Rule Bulletin is effective immediately.

TESTING

Section 2 Competition Rules, Section J Practice & Testing Guidelines, Rule 1:

No team or driver may test at a given facility in the fourteen (14) days preceding a scheduled points event unless it is an officially sanctioned and announced open practice session. The first points paying event of the year is excluded. Any team/driver breaking this rule will not be allowed to compete.

This rule has been removed from the rulebook. Teams may now test without restrictions.

Section 2 Competition Rules, Section J Practice & Testing Guidelines, Rule 2:

Series reserves the right to allow inexperienced competitors to test when deemed necessary by the series director. This will only be allowed in rare cases when it is in the best interest of all competitors to allow a driver extra track time prior to the event. If allowed driver would not be eligible to start in the top 20.

This rule has been removed from the rulebook. Teams may now test without restrictions.
