

CHAMPIONSHIP POINTS SYSTEM

TURN ONE CRA PRO SERIES PRESENTED BY CHEVROLET PERFORMANCE
 2026 SEASON

All scheduled points races count toward championship standings. There are no drop provisions. Points are scored in a traditional fashion for the duration of the season. There is not a chase/playoff format.

ELIGIBILITY REQUIREMENTS

Owner/Car number combination must compete in minimum of 80% (8 of 10) of points races in the Turn One CRA Pro Series to be eligible for point fund awards.

Car Owner must be a licensed turn One CRA Pro Series Car Owner in good standing.

Attendance/participation in year-end awards activities are required for point fund eligibility.

DISTRIBUTION

2026 Point Fund and contingency awards will be awarded to Car Owner based on final Owner Championship Standings. Driver points will be kept for separate Driver Championship, if necessary.

Owner points are awarded to Owner/Car number combination. Owner's changing car numbers during the year may be scored as two different car owners. Car Owner shall be listed as 'Car Owner' on entry blank and listed as the event earnings recipient. Number and/or driver changes should be communicated with series administration prior to an event for determining approval and appropriate administering of points.

All Cars starting the feature event will receive a minimum of 50 points.

Cars that have presented for competition and are actively participating in the event but fail to make a qualifying attempt may receive 25 points.

Any tie in the final point standings of any award will be broken by the highest number of wins, and if still tied, by the highest number of second place finishes, and so on, until the tie is broken.

In the event qualifying is canceled and the starting field is set by owner points, no qualifying points will be awarded for that race.

See rule book for additional information.

ROOKIE PROGRAM

Rookie points will be kept for separate Rookie of the Year Championship. Rookie points are scored the same as championship points.

A \$500 bonus will be award to the Turn One CRA Pro Series Rookie of the Year Champion, presented by Pepper Jack Kennels.

Drivers can apply for the rookie program if they have competed in no more than five of the events in one season. Drivers must declare rookie status on entry blank and be approved by series administration.

See rule book for additional information.

RACE POINTS	QUALIFYING POINTS
-------------	-------------------

1) 100	1) 10
